Daniel C. Thumm - VITA

Daniel C. Thumm Environmental/Survey Technician

Certifications

Pennsylvania Sewage Enforcement Officer
Certification No. 03095

Pennsylvania Asbestos Inspector
Certification No. 048735

Certified Floodplain Manager
Certification No. US-14-08069

Education

Bachelor of Science in Biology
Pennsylvania State University

Seminars & Workshops

Mr. Thumm maintains a commitment to keeping pace with current methods and technologies by attending seminars, workshops, and conferences pertinent to the field of civil and environmental engineering. Mr. Thumm regularly attends continuing education courses necessary to meet his various certification requirements and maintain a working knowledge within his fields of practice.

Daniel C. Thumm has been an Environmental/Survey Technician with Porter Consulting Engineers, P.C. for more than fourteen years. Dan's responsibilities include the preparation of environmental site assessments, wetland identification and delineation, engineering surveys and site mapping, wastewater treatment design, Erosion and Sedimentation Control Plan preparation, soil and water sampling, asbestos inspections, and construction inspections. Dan is also proficient in the use of computers and computer software applications, and he maintains and monitors various client database information including waste hauling and transportation data, groundwater monitoring data, etc. Additionally, Dan performs project related Quality Assurance/Quality Control inspections and record keeping. Dan's educational background in biology and environmental sciences along with his knowledge and experience with industrial, commercial and land development needs, is beneficial to the efficient development and completion of projects.

Professional Memberships

Pennsylvania Association of Sewage Enforcement Officers

Experience

1999 – 2003
